

Millions of working men and women throughout the world are protecting themselves from injury caused by falls in the work place by wearing internationally branded **Chefrapps Slip Resistant Footwear**. Known as T Resistant and Safety Shoe Company, **Chefrapps** specialises in research and development, footwear design, manufacture and importing of industry related footwear. Hospitality is prone to slippery floor surfaces cause water, soap and oil. Slips and falls can cause a variety of minor and in some cases serious injuries. The best protection against slips and falls under such conditions is the use of Chefrapps approved and accredited Slip Resistant Shoes.
